Are you interested in Snow Hosting in the Rec Site?

The FORRS Board is considering implementing a program to give skiers and snowshoers an introduction to the Rossland Range Recreation Site area. We believe that there are people who have heard of the cabins up at Strawberry Pass and the Rossland Range Recreation Site and are interested in seeing and experiencing it. While it may be easy to rent or borrow equipment, they don't have anyone to show them the area or the skills and knowledge to go alone.

So, first, we are writing to see if there are a few people in the community who would be willing to become a volunteer Rec Site Snow Host for 1-3 hour "orientation" tours of either the North or South side.

If you volunteer to be a Rec Site Snow Host, your name would be on a list managed by the primary contact for these orientations. As needed, you would be contacted to see if you could do a 1-3 hour orientation for a small group. Note: all participants will be required to sign an appropriate waiver.

If we receive a few volunteer Hosts and determine that we can do this program, FORR would do typical promotions of this program (website, local ski shops, newspapers, etc).

We recognize that a program like this depends a lot on the people involved. This might be a good opportunity to match up people who want to go to see the area and people in the community who enjoy sharing the uniqueness and culture of our Recreation Site.
