

Warm Greetings to all!

- record number of users this year, please be considerate of others
- parking lot plowed 7X so far this year
- please leash dogs near the highway to keep them safe
- some cabins' wood supplies are running low - conserve wood using only enough to warm cabin
- please no outdoor fires
- candles pose a high risk to cabins - use LED lights instead
- thanks for keeping the cabins neat and tidy - there are no caretakers - pack out all that you pack in
- snow will slide off cabin roofs - please stay clear
- new stoves in the Booty's & Chimo Cabins - supplied by Rec Sites & Trails BC , it is recommended to keep the draft lever pushed in
- no overnight stays in cabins (per RS&T agreement)

Volunteer work parties (summer/fall)- to receive e-mail notifications for any or all of these, please e-mail the person named:

1) Down-skiing route clearing - loppers, chain saws, helpers: rob@rosslandrange.org

2) New Crowe's Nest Cabin demolition & construction: construction experience helpful: les@rosslandrange.org

3) New Igloo Cabin completion & trail upgrade: construction experience for cabin & loppers with helpers for trail work: kim@rosslandrange.org

Rec Site is funded by grants and donations. to donate: www.rosslandrange.org (online), drop off at L. J. van der Ham Accounting in Rossland, mail or Donation Box beside Kiosk at Main Parking Lot. Donations of \$20 or more receive a tax receipt (provide contact information).
