Dear Mr. Parkes:

Thank you for your very helpful and informative letter of January 27, 2011, regarding standards for protecting the wetland at Strawberry Flats, and inviting the Friends of the Rossland Range to provide input to your reclamation plan for the Strawberry Flats gravel pit.

The Friends of the Rossland Range would be happy to assist the reclamation process in any way we can. Our Streamkeepers group is currently in the process of becoming more organized, and will be in touch with Mr. Darrell Gunn as soon as possible.

In the meantime, please do not hesitate to contact me at _____ if you have further comments or concerns.

Yours truly,

Jennifer Vogel
Chair, Friends of the Rossland Range Streamkeepers
