

**HISTORICAL PHOTOGRAPH EXHIBIT “CELEBRATE THE LEGACY”  
PRESENTED BY FRIENDS OF THE ROSSLAND RANGE**

*March 6, 2007*

The Friends of the Rossland Range has created a permanent exhibit of over 200 photographs spanning over 60 years of recreation in the Rossland Range. Nearly 20 photographers loaned images to be duplicated, printed, presented, framed and shared in various traveling exhibits and at the Rossland Historical Museum.

The Rossland Range has huge historical significance to the region and the area is an asset to the quality of life and lifestyle of its residents and visitors alike. In collecting these photographs and creating the exhibit, the Friends of the Rossland Range reminds us of the value of this area and the FORR’s stewardship goal.

Many thanks for making this exhibit possible go to the following:

*Columbia Basin Trust  
Columbia Kootenay Cultural Alliance  
Rossland Council for the Arts and Culture  
Post Impressions Art and Framing  
The Rossland photographers  
Rossland community donations  
Rossland Historical Museum*

The exhibit can be viewed now at Rossland Pro Hardware, corner of Columbia Ave and Washington St., Rossland. In the future, the exhibit will be on display at the Rossland Historical Museum and will be displayed at local events, venues.
