The Rossland Range Recreation Site

Recreation Sites
and Trails BC

ALERT

Please do not leave valuables (wallets, identification, bank cards, equipment) in your vehicle at the Rec Site trailheads. RCMP is currently investigating recent break-ins to vehicles parked while the owners toured the area.

Sadly, RCMP reports that they do get vehicle break-ins in our region "regularly".

RCMP asks that you report any suspicious activity, people or vehicles to them directly at 250-364-2566. Any information can help make an arrest.

We really appreciate your donations and support. For online donations: www.rosslandrange.org. Thank you.

The Rossland Range Recreation Site is approximately 4,450 hectares of the Rossland Range high country, designated for public recreation by the Ministry of Forests and managed by the community under an agreement between the Ministry's Recreation Sites and Trails Branch and the Friends of the Rossland Range (FORR).
