

Early Spring Edition

SPRINGTIME GREETINGS TO ALL

- As spring approaches in our towns, up in the Rec Site the plentiful snowpack is providing some fantastic skiing and snowshoeing.
 - There have been a few reported avalanches in the Rec Site this season. Be aware of the conditions and be prepared. Check www.avalanche.ca for the latest information.
 - With the numerous snowfalls, FORR has plowed the safe, off-highway parking lots a record 15 times this season. Plowing is our highest expense, paid mostly by donations. Please support this essential work by donating at www.rosslandrange.org or at the main kiosk at the pass. Thank you to all those who have donated in the past.
 - There have been 2 reported vehicle break-ins at the pass recently. Please be mindful of what you leave in your vehicles.
 - We are in the process of updating our volunteer lists. If you are interested in helping out as the need arises – firewood for the cabins, trail brushing, etc, please send a note to:
Rob@rosslandrange.org
 - FORR is considering a program to improve spacing of trees in some down-skiing routes. Suggestions for target sites are welcome, please submit to:
DemitriL@rosslandrange.org
- Please continue to enjoy your wonderful Rec Site in a responsible manner.*
